Safari Package (R1490 per person sharing/day)

- Luxury tented accommodation with dinner and breakfast in the main lodge.
- Welcome drinks on arrival
- Early morning and late afternoon Game Drives.
- Includes complimentary bottle of champagne.
- All tents have their own private deck, under floor heating, air-conditioning and a jet spa bath.

Late afternoon Game Drives depart as the fierce heat of the day cools, the inhabitants of the bush become restless, and the animals move out of the shade of the trees. The Guinea fowl call reverberates through the bushveld, followed by the howl of the

jackal. You will become aware of **colours softening to the beautiful, gentle hues** as the sky turns to the sensational vibrant reds, golds and oranges typical of a Northern Cape and African sunset. Evening scents fill the air as the sun dips behind the horizon. Here you can view over 36 different animal species and hundreds of bird species. Be part of the Roan and Sable antelope herds as they wander around in search of their favourite grazing areas.

Savannah Safari Package (R1990 per person sharing/day)

- Luxury tented accommodation with dinner and breakfast in the main lodge.
- Welcome drinks on arrival
- Early morning and late afternoon Game Drives. (**Morning game drive replaced with a Quad bike bush trail**)
- Includes complimentary bottle of champagne.
- All tents have their own private deck, under floor heating, air-conditioning and a jet spa bath.

Alternatively roam around with family or friends on our Quad bike safaris and experience nature from a different angle. Our Quad bike safaris are definitely a more exhilarating game viewing option that lowers you to the level of the animals.

Lobola Package (R2420 per person sharing/day)

- Luxury tented accommodation with dinner and breakfast in the main lodge.
- Welcome drinks on arrival
- Early morning and late afternoon Game Drives.
- **After the evening game drive fly inn to a dinner in the bush**
- Includes complimentary bottle of champagne.
- All tents have their own private deck, under floor heating, air-conditioning and a jet spa bath.

The helicopter flight to a dinner in the bush under the African sky is regarded by many as the climax of uniqueness and romance. Enjoy your dinner amidst wild antelope and the deafening silence of solitude in the bush interrupted by the odd jackals howl or trampling of hooves just out of reach of the lanterns light.

Conservation Package (R3930 per person sharing/day)

- Luxury tented accommodation with dinner and breakfast in the main lodge.
- Welcome drinks on arrival
- Early morning and late afternoon Game Drives.
- Includes complimentary bottle of champagne.
- All tents have their own private deck, under floor heating, air-conditioning and a jet spa bath.
- **Hands-on Game Capture safari and Helicopter ride, including immobilisation and translocation of numerous species of antelope.**

Guests are welcomed aboard Mattanu's team of wildlife capture and immobilisation specialists in their routine tasks of management and translocation. Join in this unique safari experience on the ground or from a helicopter and have a hands-on experience with numerous wildlife species as they are being tranquilised and monitored for conservation and management purposes. All of this is done under strict supervision of resident wildlife veterinarian and Wildlife Ranching Game Farmer of the year for 2009, Dr JC Kriek. Game capture safaris are often done as part of veterinary student courses. During these courses we also mentor and transfer skills to up and coming wildlife veterinary enthusiasts

Fly Fishing Package (R4250 per person sharing/day)

- Luxury tented accommodation with dinner and breakfast in the main lodge.
- Welcome drinks on arrival
- Early morning and late afternoon Game Drives.
- Includes complimentary bottle of champagne.
- All tents have their own private deck, under floor heating, air-conditioning and a jet spa bath.
- **Helicopter flight to the Vaal river (regarded as one of the best Yellow fish fly-fishing spots in South-Africa). Whole day on the secluded banks of the Vaal river accompanied by a professional guide.**

Fly in to fly. Few pastimes evolve into obsession and none can derive such satisfaction irrespective of result. The anticipation of the first nibble at your line along with a scenic helicopter flight to the banks of the mighty Orange or Vaal River culminates into sheer excitement for what lies hidden beneath the surface. Fly in to any river or dam in the Northern Cape and test your skill against the Largemouth and Smallmouth Yellowfish, Carp, Barbel or Bass.
