

Mattanu Game Ranch

Menu

Our functions and dinners run on set menus of true South-African cuisine and we usually offer a selection of dishes from which guests can choose. (One starters, Three mains, Three vegetables/salads and One dessert)

Depending on budget, more dishes may be selected.
Some evenings will be a buffet style menu.

Our Zimbabwean chef and Owner supervisor, Daleen Kriek, can handle any special requests at special rates. Menus are also updated regularly. Breakfasts are usually a full English buffet breakfast and lunches are discussed prior to any function, conference or event.
